AFFADAVIT IN SUPPORT OF A CRIMINAL COMPLAINT

I, Laura J. Gill, being duly sworn, depose and state:

1. I am a Special Agent with the United States Department of Homeland Security (DHS), United States Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI), assigned to Houston, Texas. I have been so employed since July 2009. I am currently assigned to the Child Exploitation Group. As part of my daily duties assigned to this group, I investigate criminal violations relating to child exploitation and child pornography including violations of Chapter 109A, Chapter 110, and Chapter 117, all contained within Title 18 of the United States Code. I have received training in child pornography and child exploitation, and I have had the opportunity to observe and review examples of child pornography in various forms of media including computer media. I have also participated in the execution of search warrants; a number of which involved child exploitation, child pornography, and online solicitation offenses.
2. This affidavit is based on reports your Affiant has read and conversations your Affiant has had with law enforcement officers and investigators involved in this investigation. This affidavit does not set forth all of my knowledge in this matter but is intended only to show that there is probable cause to believe that Frank COMITO is in violation of **Title 18, United States Code, Section 2252A(a)(2)(B)**, which makes it a crime for any person who knowingly receives, or distributes, any material that contains child pornography using any means or facility of interstate or foreign commerce or that has been mailed, or has been shipped or transported in or affecting interstate or foreign commerce by any means, including by computer.
3. On or about May 18, 2023, HSI-Frederick, Maryland, began an investigation into an individual, hereinafter referred to as "TRAFFICKER-1." An HSI undercover agent actively engaged with TRAFFICKER-1 via Skype, and during undercover conversations with him was offered access to sexually explicit live webcam shows involving numerous minor children in return for cash payments. Based on undercover activity and other investigations, HSI is aware that TRAFFICKER-1 did, in fact, have access to minors to sexually abuse on camera and had offered

to provide access, through TRAFFICKER-1's Skype account(s), to visual depictions of one or more minors engaging in sexually explicit conduct in exchange for money.

4. On November 1, 2023, HSI obtained a search warrant in the District of Maryland and subsequently issued it to Microsoft for TRAFFICKER-1's Skype account.

5. On January 31, 2024, Microsoft provided the requested data.

6. A review of the data provided by Microsoft Corporation revealed a chat between TRAFFICKER-1 and the Skype account "frankiec1956" (hereinafter referred to as the TARGET ACCOUNT) regarding the sexual exploitation of children.

7. I have reviewed the Skype chat communications between the TARGET ACCOUNT and TRAFFICKER-1. Based on my review, my training, experience, and information conveyed to me by other law enforcement officers involved with the investigation of online child sex trafficking, I believe the chat conversations are consistent with the sale of live-streaming depictions of child sexual abuse, as further described below, wherein the child sex trafficker provides another individual with access to pre-produced or live-streaming video depictions of minors engaged in sexually explicit conduct in exchange for money.

8. Specifically, according to Skype records dated between on or about September 22, 2018, and continuing intermittently until June 18, 2019, the TARGET ACCOUNT and TRAFFICKER-1 exchanged approximately 37 messages and 1 media file.

9. The following shows the chat that occurred on September 22, 2018, between TRAFFICKER-1 and the TARGET ACCOUNT (frankiec1956):

10. The video sent by TRAFFICKER-1 to the TARGET ACCOUNT on September 22, 2018, is described as follows: 27369956-1ce1-43bf-c7a98a5fc7a9_0-sa-d5-a4ed46b65d is a video that is approximately 55 seconds in length and depicts a prepubescent Asian female of 10 to 12 years of age. The prepubescent Asian female is naked from the waist down and kneeling on a white plastic chair while an adult male vaginally penetrated her vagina with his erect penis. The prepubescent Asian female then stood upon the white plastic chair to manually stimulate the adult male's erect penis before his erect penis was placed into her mouth. This video meets the federal definition of child pornography.

11. On February 20, 2024, HSI issued a summons, HSI-6H-2024-031383-001, to Microsoft/Skype requesting subscriber information, records of sessions for the last 180 days, length of service, types of service utilized, telephone or instrument number or other subscriber number or identity, a listing of all device information, to include any temporary assigned network address, means of source of payment for such service related to the TARGET ACCOUNT.

12. Microsoft/Skype provided the following response regarding the TARGET ACCOUNT for the time period from on or about August 10, 2023, through February 6, 2024:
